1. **LIABILITY:** As parent of a participant in *All Kinds of Art Camps & Classes*, I agree to hold the teacher, Patrice Stanton, and any assistants, blameless, in the case of any accidental injury.

In case of an emergency in which I, or my Emergency Contact cannot be reached in a timely fashion, I give permission for my child to be given any necessary emergency medical treatment.

In signing below, I hereby certify this student is in good health and may participate in all camp or class activities.

2. **BEHAVIOR:** My student's participation is partially based on their conforming to a simple Code of Camp Conduct [see below]. If I am informed they do not, I understand I am expected to address and to rectify the specific problem by the following class meeting. I understand part of the solution may be that the Teacher would have me sit in on a class(or classes).

3. **COSTS:** a) a non-refundable fee of \$25.00 per student is due for each camp or class, upon Registration; and; b) final balance is due and payable before start of first class period.

5. **CONTACT INFO:** I will, a) provide an e-mail or home phone where I can be reached in the event of class cancellation due to Teacher illness, or other [a make-up class or proportionate-refund will be given]; b) provide an Emergency phone-Contact for use during class times; and c) return to pick up my child/children promptly after class.

I understand that during the camp or class, photographs may be taken for promotional and archival purposes.
